PERSONALITY TRAITS

WEAKNESSES

🔨 **Practical abilities.** Do not give me hammers if you love your fingers! I really enjoy DIY stuff but there is no doubt about other people being better than me on that

🤔 **Overthinker.** Sometimes i get carried away about thinking in details, and it's hard to me to realize that maybe i'm giving something more attention than needed

STRENGHTS

🎨 **Creative.** I'm curious and open minded by default. I like to think that everything is part of a big puzzle and we have to figure it out

🔍 **Observer.** I like to focus on details. You can find the difference between something good and something great in details

🔥 **Enthusiastic.** When i find something that fascinates me, I'll focus 100% restless
